F1 Bordoodle
Puppy Deposit

On this day, _____, Turk Family Farm, LLC, (Seller) received $500 as a non-refundable deposit for the Puppy known as an F1 Bordoodle, toward the purchase price of $2,000. This deposit from _____, (Buyer) is for "_____" pick of the litter.

Seller only accepts a very limited number of deposits prior to litter being born to try to accommodate each Buyer. Seller has no control on the gender, color, markings or quantity of available Puppies in any litter. In the unfortunate event the quantity of Puppies born is not able to accommodate each Buyer, this deposit can be applied to a future litter, or a refund of this deposit can be given to Buyer within 15 days of acknowledgment.

Relatively soon after the Puppies are born an Open House will be scheduled by Breeder on a weekend day at or about five (5) to six (6) weeks old for each Buyer to pick their Puppy. First pick will be scheduled the first time slot in the morning, then second pick, then third pick and so on. This process has to run chronological so this does not hold up the others behind you from being able to pick out their Puppy at the Open House. Zoom video conferencing is an alternate method of being able to see and pick your Puppy if you are not able to attend in person on the scheduled day of the Open House due to any number of reasons including, but not limited to, distance and/or issued travel restrictions due to the Pandemic.

This deposit will hold the Puppy until it has been weaned and is ready for pick up at eight (8) weeks old. The remaining balance of $1,500 is due on or before pick up.

Turk Family Farm, LLC accepts major credit cards, cash in-person (discount) and checks (must be received ten days prior to pick-up for bank clearing). If Buyer was on the Waiting List prior to the completion of this Puppy Deposit form, the retainer paid shall be applied to the total purchase price.
